Saturday Cleaning

There are still open spots in our Saturday schedule. You can sign up with Carolyn, but after this week we will plug in names to fill in any blanks. A final master cleaning schedule will be available on Tuesday, September 15th.

No More Tires!

A huge thank you to the Sichel and Bishop families for helping us rid our campus of the giant tractor tires. This past Saturday, Rodney Sichel brought his crew and equipment to the school and removed the tires (they were taken to the Bishop's ranch as horse obstacles—thank you for providing a new home!). Rodney and his crew also removed the yellow curb by the shed and the broken cement pipe by our sand box. The yard looks wonderful!

TO-DO LIST

There is still much to do around the school. A to-do list is posted on the white board outside the office. Please take a look at the following list of things that need to be done...if there is anything that fits your bill, sign up! Thanks!

Use Your Voices!

This year we would like to expand the use of the *Village Voices* as a tool for the entire community to share information. This includes Thank yous, stories, letters, poems, recipes or anything that you, as part of the community, would like to share with parents and faculty to enrich, educate, or entertain. Please feel free to send anything that you would like to see printed in the *Voices* to Alicia at alicia@laladesign.com with VOICES in the subject line. The final decision of whether any submission will be printed right away will be up to the discretion of the editor.

DAY OF THE DEAD FESTIVAL

The Day of the Dead Festival is scheduled for Friday, October 30th. If you are interested in helping organize this event please contact Melanie Sanders at mommamelly@sbcglobal.net
